7912

A close-up photograph of a printed circuit board (PCB) component. The component has a white plastic housing with the text "LUMAR DR" printed on it. A small green LED is mounted on top of the component, which is illuminated, indicating power or activity. The PCB itself is visible at the bottom, showing various tracks and connectors.

A map showing a street layout. A red circle is placed at the intersection of a horizontal street labeled '7814' and a vertical street labeled '37''. The word 'LANE' is written vertically along the right side of the '7814' street.

A map of the Frontier Court area. A red arrow points from the left towards a red circle on a grey rectangular base. The circle is positioned on a curved line labeled "FRONTIER CT." Above the circle, the year "2006" is written. Along this curve, other years are marked: "2000" at the top, "2001" and "2005" near the center, "2007" on a separate segment, "2009" below it, "2011" on the main curve, "2014" at the end of the curve, and "2015" below it. A vertical yellow bar on the far left contains the text "PAGE 29" in red.
